It is my belief that in approaching Mr. Hergesheimer s work one should bear constantly in mind those fourteen years, for to me they appear, not uncuriously, to have shaped and colored every book he has thus far published. Meanwhile - of course - he had written another tale, which was much better than the first, and which proved to be an equally faithful chaperon of return postage. So story followed story, each dreeing the same weird. And he used to wait for the postman, no doubt, and to note from afar that it was a large envelope; and would open the damned thing with a faint hope that perhaps they just wanted some...
