Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

DRAWING FROM THE CITY (HARDBACK)

Tara Books, India, 2013. Hardback. Book Condition: New. 368 x 246 mm. Language: English . Brand New Book. Art and design take center stage in this carefully crafted, elegant, artisanal book. This stunning autobiographical art book recounts self-taught artist Tejubehan s journey from an impoverished childhood in rural India, through her family s efforts to improve their lot in a tent city in Mumbai, and into her adulthood, when she lived as a singer and artist with her husband. The direct, unadorned text has an immediacy that reveals its roots as an orally narrated life story. As a physical artifact, it draws attention to its creation with stiff pages and fragrant, tactile inks. A unique offering that presents readers with arresting artwork and a compelling life story. Starred Review, Kirkus Reviews Self-taught artist Tejubehan weaves a partly autobiographical, partly escapist, whimsically illustrated tale of a woman trapped between unimaginable poverty and a wildly imaginative inner world in a patriarchal society. - Maria Popova for the New York Public Library bookstore . .more exquisite and born out of a more moving personal story than just about any book I ve come across. Perfect for anyone interested in printmaking, and would make an extra-special gift for the budding feminist in your family. Nashville Scene A large-format, silk-screened, hand-printed masterpiece. A Los Angeles Times Holiday Gift Pick.
