Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

Not illustrated. 1808 Excerpt: .to elevate, as to degrade a nation; that as many would imagine, themselves predestined to good and great actions, as to their opposites. But this opinion is warranted neither by philosophy, nor by fact. In the first place, in its fallen state, the human mind has more bias to vice than to virtue. But the fatalist conceives himself obliged to pursue his natural bias; and this mischievous preponderance will therefore be encreased in him. Again, the tenet of fatalism is likely to have more influence upon feeble, than upon vigorous minds. These last feel their freedom, whilst the first may reasonably suspect it. Fatalism, therefore, will fill the timid with dismay, and the dejected with despondency; it will render the mean slavish, and the inactive slothful; but it will add little to courage, hope, independance, or activity. Du dogme de la predestination (says Montesquieu) nait la paresse de lame; but no philosopher ever assigned industry to the same parent. To pass from theory to fact, it is sufficient to state that there is no instance of the prosperity of a country long surviving the introduction of this dogma to its people. There are instances indeed, where great monarchs have struck out from their people extraordinary energies, by persuading them they were predestined to conquer; but when this phrenzy subsided, and the principle was left to its natural operation, the lethargy returned with encreased strength, and the last state of that people, has become worse than the...
