Reviews

This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

BRIGHT IDEAS: MACMILLAN PRIMARY SCIENCE: STUDENT BOOK K

Macmillan Education. Paperback. Book Condition: new. BRAND NEW, Bright Ideas: Macmillan Primary Science: Student Book K, David Glover, "Bright Ideas" is a new science course for all students in Caribbean primary schools. Developed to fulfil the requirements of primary science curricula throughout the region, the Student's Books and supporting materials promote a modern, student centred approach to science learning. There are seven full colour Student's Books from Kindergarten level to the final year of primary school. Workbooks to complement the Student's Books are available for each level of the course. Separate Teacher's Guides, with background information, teaching notes and support for remedial and extension activities are also available. This title features: scientific ideas introduced in a lively and entertaining way; content structured in lesson-sized topics with clearly stated objectives; graded language appropriate to student's reading age; numerous practical activities using everyday materials; wide variety of paper-and-pencil exercises, discussion topics and suggestions for group work to promote interactive learning; Caribbean contexts and issues examined in depth; high quality illustrations and photographs; review exercises and end of unit tests; extensive glossary to develop student's scientific vocabulary; and, internet links to promote independent research.
