The well-known phrase, Beam me up, Scotty, from the popular television series STAR TREK first introduced the public to the idea of teleportation -- instantaneous transport through time and space -- although the term was probably originally coined by the world famous author of books on unexplained mysteries, the late Charles Fort. Long thought to be the work of over imaginative writers, the author now takes the subject beyond the void of pure speculation and into the realm of 21st Century science. For according the COMMANDER X -- a former military intelligence operative with connections to the CIA and Defense Department, on a number of occasions he witnessed the testing of highly classified super TOP SECRET...
