Excerpt: . . . Initiatives and Challenges in Consequence Management. . . 7 to a WMD crisis in the United States, there is still some disagreement about the role that the Department of Defense personnel will be called upon to play should the United States suffer from an attack in the homeland with very large or widespread consequences. In such cases other departments or agencies with the formal consequence management responsibility might be overwhelmed, leaving the DoD as the only department with enough resources to do the job. III. Mandate for Consequence Management in the National Security Strategy Until recently, the role of WMD consequence management in U. S. national security strategy has been somewhat vague, but several recent documents clarify this role. The 2002 United States National Security Strategy identifies one major element of U. S. strategy as, Prevent our enemies from threatening us, our allies, and our friends with weapons of mass destruction. In turn,...
