Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.To many Americans, the war in Vietnam was, and remains, a divisive conflict. Now almost fifty years after the beginning of major U.S. combat operations in Vietnam, the war has faded from much of America's consciousness. Over half of the U.S. population was born after the war and has no direct memory of the conflict, yet this does not lessen its importance. The massive American commitment-political, military, and diplomatic-to the independence of South Vietnam beginning in the 1950s and continuing with U.S. direct combat operations in the 1960s and early 1970s makes it important to remember those who served. U.S. involvement in this corner of Southeast Asia began after World War II when Vietnam was fighting for independence from France. Although generally favoring Vietnamese independence, the United States supported France because the rebels-or Viet Minh-were led by Communists and in the days of the Cold War U.S. officials considered any and all Communists to be little more than the puppets of Moscow and Beijing. France's defeat in 1954, the bifurcation of Vietnam into a Communist North...
