Reviews

An incredibly wonderful book with perfect and lucid explanations. It normally is not going to price a lot of. I am just very happy to tell you that this is the greatest pdf we have go through within my personal lifestyle and could be he finest book for at any time.

(Bart Lowe)

HOT VOYEUR SECRETS

Edition Skylight. Paperback. Book Condition: new. BRAND NEW, Hot Voyeur Secrets, Martin Sigrist, Text in English & German. "Photographing a woman as if she were unaware of it is the philosophy of voyeurism. -- Bob Guccione / Penthouse "Seeing is enjoying, seeing is deflowering" -- Jean-Paul Sartre. If its true to say that there is something of the voyeur in everyone, this must especially apply both to the naturally inquisitive and to the world's talented photographers. When the latter focus on the sensuous world of erotic photography, the images they create ooze excitement, and exhibit an indefinable turned-on quality, perfectly capturing the moment the model seems unaware she is being observed. This collection features over 30 photographers, all of whom capture the instant the model is utterly relaxed and completely unselfconscious.
