Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.We are all looking for greater meaning and wisdom in our lives. The problem is that we search for these things outside ourselves. The most profound teachings of the Buddha say that the wisdom we search for doesn't come from outside. It is already within us - it is our very nature. The spiritual path is simply a way of helping us uncover and manifest the wisdom we already have. Discovering our innate wisdom means learning to trust and rely not only on our intellect, but also on our intuition. It also means recognizing and letting go of negative thought patterns and emotional hang-ups that keep us confused and unhappy. You Are Buddha offers a practical guide to learning meditation, working with thoughts and emotions, becoming more deeply embodied, understanding the nature of mind, developing ethical conduct, and becoming an authentically mature human being. Through the path of meditation, action and insight taught by the Buddha, we can stop identifying with our false self and re-awaken to the wisdom we were born with. What Others Are Saying about You Are Buddha. . You Are Buddha speaks about the nature of our mind and the spiritual path in a very fresh and personal way, making profound insights and practices readily accessible. By looking at ancient wisdom teachings through a contemporary lens and sharing his own rich experiences on the path, Dennis Hunter offers an approach to the Buddhist teachings that can be employed by readers of all kinds of backgrounds. There is no need to label oneself a Buddhist to benefit from this book and discover the basic nature that we all share. - Khenpo Karl Brunnholzl, author...
