Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Numicon: Geometry, Measurement and Statistics 1 Explorer Progress Book: 1, Sue Lowndes, Simon d'Angelo, Andrew Jeffrey, Elizabeth Gibbs, Numicon builds a deep understanding of maths through a multi-sensory approach, developing children's fluency, reasoning and problem-solving. The Numicon Geometry, Measurement and Statistics 1 Explorer Progress Book supports the activities in the Numicon Geometry, Measurement and Statistics 1 Teaching Resource Handbook and is a great assessment tool, allowing teachers to gather evidence of children's achievements. The book contains fun and engaging activities for children to complete. Each activity links to a topic from the Teaching Resource Handbook, offering you opportunities to assess individual children's understanding and monitor progress in geometry, measurement and statistics. Children have the freedom to record their answers in their own way, allowing you to see their thinking, and the use of real-life contexts allows you to assess children's ability to use and apply their maths learning.
