Brand New Book ***** Print on Demand *****.Excerpt from Banner Bearers: Tales of the Suffrage Campaigns The little world of the suffrage worker was one of hard application and intense living. It had its saints and its sinners, its clear-visioned leaders and its devoted disciples, its silver-tongued orators, its poets and its artists. It had its humor, its pathos and its passion. It developed a new loyalty - that of woman to woman; a new romance - the love of woman for the woman leader; a new faith - that of the woman in the greatness of her sex and the possibilities of her womanhood. To understand the little world of suffrage, one should have entered it when being there provoked the look askance, the sneer, and the witless laugh; one should bear the scars of the campaigns that were its bloodless battles; one should have worked and laughed and sorrowed with its inhabitants; have felt the elation of success, the bitterness of defeat, the courage that springs dauntless and daring to make a new fight.
