Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
(Meagan Roob)

Workman Publishing. Paperback. Book Condition: new. BRAND NEW, Wicked Greek, Howard Tomb, For two thousand years visitors have been touring the rugged glory of Greece. But with a difference--when the early Romans went visiting, those wacky Greek gods were still holed up on Mount Olympus. Today they've come down, and they're driving taxis, tending bar, dancing and yelling and throwing plates around restaurants. All of which spells adventure for the unsuspecting tourist, and wonderful opportunity for Howard Tomb. From the sneakily successful series of travel books with over 1 million copies in print, "Wicked Greek" is the phrasebook that takes the chaos out of the land that invented it. Here are pithy comments on retsina: "My wine tastes like a handful of pine needles." Tips on consulting the Oracle of the Ferry Schedules, including the Mystery of the Next Departure to Patmos. More than you ever dreamed possible about olives-including black, green, purple, briny, cracked, and this-makes-the-retsina-taste-good. Trojan War stories. Zeno's Paradox, Aristotle's Boo-Boo, Plato's Cave, and other philosophical conundrums that put us in the fix we're in today. Motorbike survival tips. Ella, word of a thousand meanings. And how to pursue romance with the natives.
