Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Ten Fighter Boys, D.F.C. Forbes, D.F.C. Allen, Jimmy Corbin, The extraordinary stories of ten fighter pilots, told in their very own words during the Second World War. First published by Collins in 1942, this utterly compelling collection of first-hand accounts of ten fighter pilots' experiences at the helm of the Spitfires of 66 Squadron paints one of the most realistic depictions of the battle for the skies over wartime Europe. Offering incredible personal insights into the wartime experience - both in the air and on the ground - the stories are told with unaffected zest, by men who were living in the constant presence of death. Five of the original contributors were killed before the book was originally printed, including the books editors, Wing Commander Athol Forbes and Squadron Leader Hubert Allen. Jimmy Corbin, the last surviving contributor and author of the foreword, passed away in December 2012. Written right in the middle of the war, in the pilots' own words, Ten Fighter Pilots is a truly original and unique account of a terrifying time.
