

## Selling Out a Superpower: Where the U.S. Economy Went Wrong and How We Can Turn It Around (Hardback)

By Ronald R Pollina

Prometheus Books, United States, 2010. Hardback. Book Condition: New. New.. 231 x 157 mm. Language: English . Brand New Book. In 1968, there were sixty-two lobbyists in Washington; today there are thirty-four thousand, outnumbering members of Congress and their staffers two to one. By 2008, these lobbyists were spending approximately \$8.2 million for influence per day. Few, if any, of these lobbyists represent the majority of Americans in the middle class. So it s not surprising, given these statistics, that real median household income in America has stagnated for over a decade. This hard-hitting book documents that a combination of special interest groups and their army of money-peddling lobbyists, along with government mismanagement of business and the economy by both parties, have betrayed the American middle and lower classes for the last twenty years. The result is a host of misguided laws and policies that have driven jobs and whole industries offshore, never to return. The author takes issue with those who emphasize the potential benefits of globalization without taking notice of its many negative effects on American society. He also argues that inept policy threatens to derail the American economy permanently and that our economic malaise is more than...
