Createspace, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The reader is in for a very different and yes, special type of memoir in Ted Homa s new book. Not only are the intimate details and personal testimony of both reconversion and rebirth of both spiritual nature present in the author s clear friendly voice, but also a continual definitive undeniable statement is underscored allowing observers to think about what it true. God never forgets you, though you may forget Him. This quick flowing hard to put down read is an awakening. As the reader will agree it is well worth rereading-pondering situations in our lives that drive us away from faith and then acknowledging angels that walk among us, hopefully allowing a coming home to the Father. Teddy s story is so moving that one cannot help but be astonished at God s underpinning coincidences documented throughout the chronicle. Bouncing off each page are messages of inner soul speaking, searching and finally finding salvation. This private catharsis serves as a touching revelation and sometimes unbelievable account of the healing process, confirming God s intended plan for mankind. Standing Between the Gates of Heaven and the Precipice of Hell-a doctor s experience with the afterlife, provides a template of spiritual encouragement to all fortunate to read this personal journal. Review by Robert Manniello- columnist and freelance journalist. Orange County Register/Capistrano Valley News. Freedom Communications, Incorporated. Irvine California.
