

## Bublonya.the Distant Planet: Today.Science Fiction.Tomorrow?

By MR Fred Schlissel

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Synopsis Bublonya Civil Society Freely available bubble material supplies food, clothing and shelter to all inhabitants of Bublonya. This enables them to pursue other interests mainly science, literature and poetry. They have no government, or military or weapons. All activity is based upon volunteerism and cooperation. Leadership is based upon meritocracy and is voluntary. American astronauts on an exploratory mission to the moon discover a transmitter placed there by alien people from a distant planet 95 light years away. The astronauts use the transmitter to make contact with the people from this distant plant. They are invited to visit the planet. The environment on the distant planet is identical to that of Earth. They make friends with the people who are peaceful, warm and gentle. The astronauts learn that the driver of civil society on this planet is a bubble material that flows freely and in quantity in nearby fields. This bubble material, in various controlled configurations provides food, clothing and shelter for all, leaving the people free to pursue their personal interests. They concentrate on science and...
