Penguin Books Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 194 x 130 mm. Language: English . Brand New Book. The Secret Diary of Adrian Mole Aged 13 is the first book in Sue Townsend s brilliantly funny Adrian Mole series. Friday January 2nd I felt rotten today. It s my mother s fault for singing My Way at two o clock in the morning at the top of the stairs. Just my luck to have a mother like her. There is a chance my parents could be alcoholics. Next year I could be in a children s home. Meet Adrian Mole, a hapless teenager providing an unabashed, pimples-and-all glimpse into adolescent life. Writing candidly about his parents marital troubles, the dog, his life as a tortured poet and misunderstood intellectual , Adrian s painfully honest diary is still hilarious and compelling reading thirty years after it first appeared. Bestselling author Sue Townsend has been Britain s favourite comic writer for over three decades. I not only wept, I howled and hooted and had to get up and walk around the room and wipe my eyes so that I could go on reading Tom Sharpe A satire of our times. Very funny indeed Sunday Times We laugh both at Mole and with him. A wonderful comic read, that, like all the best comedy, says something rather meaningful Heat Sue Townsend is Britain s favourite comic author. Her hugely successful novels include eight Adrian Mole books, The Public Confessions of a Middle-Aged Woman (Aged 55 ), Number Ten, Ghost Children, The Queen and I, Queen Camilla and The Woman Who Went to Bed For a Year, all of which are highly acclaimed bestsellers. She has also written numerous well-received plays. She lives in Leicester, where she was born and grew up.
