Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Pan-Germanism For some years those at all familiar with current international affairs have known that it was the custom in the German navy to drink a toast, To the day. Many people have hugged to themselves with glee the secret information that the officers were drinking to the day when war should be declared against England, but few indeed seem to have realized the splendor of the vision now before German eyes, or the ideas of the international situation which makes victory seem so near as to send German blood coursing swiftly in the anticipation of triumph. The Germans aim at nothing less than the domination of Europe and of the world by the Germanic race. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
