\*\*\*\*\*. I learned more starting a business than I did doing anything else. This book set out to answer the question: How do people learn while starting a business? Startup Style Learning explores the ways entrepreneurs learn as a unique and powerful process with the potential to change the education system and business landscape. The research is the result of a year of participant observation, interviews, detailed ethnographic coding, and application of theory to actual early stage entrepreneurs. Read this text and change the way you approach learning any new skill.
