Andrews McMeel Publishing, 2004. Paperback. Book Condition: New. 224 x 211 mm. Language: English . Brand New Book ***** Print on Demand *****. This is the second fan letter I have written in my whole life. The other one was to Hopalong Cassidy, when I had a great crush on him at about six years old. But I did want to let you know how very much both my husband and I have enjoyed Pickles from the very first strip. Would you please consider putting a collection together in book form? -Lois F. in NevadaAs its loyal fans will gladly tell you, Pickles has been a zinger-filled, laugh-out-loud gem since its debut in 1990. Since then, it has steadily climbed in popularity, and today appears in over 400 newspapers worldwide. Still Pickled After All These Years collects strips from this sweet intergenerational comic that alternates point of view between an older married couple, a 30-something married couple, and their son. The strip centers on Earl and Opal Pickles, who have been married over 50 years but inject plenty of spunk and insight into everything they do. Whether they're taking a wry but sympathetic glance at their divorced daughter, Sylvia, laughing at their faithful but feckless canine, Roscoe, marveling at their dictatorial feline, Muffin, or just commenting on the little things in life, Earl and Opal's good-natured wit and dry humor is brilliantly on target. Pickles is about growing old and keeping your sense of humor but never forgetting what it's like to be a child. The strip's inaugural AMP collection, Still Pickled After All These Years, encapsulates the importance of staying close to those who bring you the most joy and reminds everyone about the incalculable value of the unconditional love of pets, family, and friends.
