

Observations on the Working of the Government Scheme of Education: And on School Inspection, Suggesting a Mode of Providing an Efficient and More Extended Inspection for Those Schools in Connexion with the Church,

By Richard Dawes

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Observations on the Working of the Government Scheme of Education: And on School Inspection, Suggesting a Mode of Providing an Efficient and More Extended Inspection for Those Schools in Connexion With the Church, Without Expense to the Country; With Other General Remarks on Elementary Education Having watched the progress of National Education for some years with considerable attention, and endeavoured to promote it among the labouring and middle classes of society, I hope the following observations, the result of much thought on the subject, and of increased experience, may not at the present time be entirely devoid of interest: the intention of them is, to suggest useful hints, having a practical bearing on the cause they are intended to promote, and to endeavour to fix the public mind on plans likely to lend to good results, rather than to speculate and theorise on difficulties which may never occur. Such speculations tend to keep the present generation in ignorance, without being at all sure of benefiting the next. The subject of education has since the year...

Reviews

An extremely amazing book with lucid and perfect reasons. It is actually written in easy words and phrases and never confusing. Your life period will likely be transformed the instant you fully look over this ebook.
