# Bury the Chains: The British Struggle to Abolish Slavery

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

Pan MacMillan, United Kingdom, 2012. Paperback. Book Condition: New. Reprints. 198 x 130 mm. Language: English . Brand New Book. Eighteenth-century Britain was the world s leading centre for the slave trade. Profits soared and fortunes were made, but in 1788 things began to change. Bury The Chains tells the remarkable story of the men who sought to end slavery and brought the issue to the heart of British political life. Hochschild s marvellous book is a timely reminder of what a small group of determined people, with right on their side, can achieve. Carefully researched and elegantly written, with a pacy narrative that ranges from the coffee houses of London to the back-breaking sugar plantations of the West Indies, it charts the unlikely success of the first international human rights movement Saul David, Literary Review Hochschild is such a gifted researcher and story-teller that he never fails to hold the reader s attention.For all its terrible theme, Hochschild s book is not in the least depressing, because it is suffused with admiration for the courage and enlightenment of the men and women who crusaded against this evil, and finally prevailed Max Hastings, Sunday Telegraph Thought-provoking, absorbing and well-written Brendan Simms, Sunday Times Stirring and unforgettable Economist.
