Nosy Crow Ltd. Paperback. Book Condition: new. BRAND NEW, Mega Mash-Up: Aliens v Mad Scientists Under the Ocean, Nikalas Catlow, Tim Wesson, The Earth is in peril. Aliens are trying to stop it spinning so everyone will fall off and they can take over. Mwa ha ha ha! But fear not! The Mad Scientists are building an underwater machine to save the day. If only the Aliens would stop zapping them with their Frazzelizers - These books take great subjects for boys, combining them in very short, bonkers and funny stories that are incredibly easy and quick to read. The illustrations are bold and crazy and there's plenty of space left on each page, together with suggestions for how to fill it, so kids can add their own drawings. The books read as hilarious, zippy stories - and we're making them look as much like novels as possible - but they're doodle books as well.
