

A Smarter Way to Learn JQuery: Learn It Faster. Remember It Longer.

By Mark Myers

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.You're going to get the hang of JQuery in less time than you might expect. And the knowledge will stick. Why? Because this isn't just a book. It's a book plus 1,500 free interactive online exercises. It's the exercises that are going to turn you into a real JQuery coder. Cognitive research shows that reading alone doesn't buy you much long-term retention. But if you read less and do more if you read a short passage and then immediately put it into practice everything changes. Washington University researchers say that being asked to retrieve information increases long-term retention by four hundred percent. Practice also makes learning more interesting. Ten minutes of reading followed by twenty minutes of practice keeps you awake and spurs you on. And it keeps you honest. If you only read, it's easy to kid yourself that you're learning more than you are. But when you're challenged to produce the goods, there's a moment of truth. You know that you know that you don't. If you find you're a little shaky on this point...

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).
